

**George J. Bullwinkel, Jr.**

*President and Chief Operating Officer - SCANA Energy Marketing, Inc.,  
SCANA Energy, SCANA Communications, Inc. and ServiceCare, Inc.  
Senior Executive Oversight - PSNC Energy and SCE&G Power Marketing*

George Bullwinkel, 62, has a long history with SCANA that began in 1971.

A native of Charleston, South Carolina, Bullwinkel is a graduate of Clemson University with a Bachelor of Science degree in mechanical engineering. In his current role, he provides executive leadership for retail sales of natural gas in deregulated market in Georgia through SCANA Energy and the regulated market in North Carolina through PSNC Energy; wholesale sales of electric energy for SCE&G and wholesale and large retail natural gas for SCANA Energy Marketing across the southeast. Additionally, Bullwinkel provides executive leadership for the appliance repair business through ServiceCare and telecommunication business of providing fiber optic and tower sales through SCANA Communications.

In addition to his SCANA business unit responsibilities, Bullwinkel is a member of the Southern Gas Association, the Medical University of South Carolina's Children's Hospital Advisory Board, the South Carolina Manufacturers Alliance Board, the Midlands Technical College Foundation Board, the Clemson University Foundation Board, the Southeastern Wildlife Exposition, Inc. Board, the Carolina Yacht Club and the Palmetto Club. He is also the development chair of the Central South Carolina Alliance Board of Directors and Executive Committee and also past chairman of the Alliance as well. In addition, he is past chairman of the United Way of South Carolina, and past president of the Hibernian Society of Charleston. He was also awarded the Committee of 100's International Ambassador of the Year and the South Carolina Ambassador for Economic Development.
