Chief Compliance Officer

SCANA Corporation Transmission Providers Chief Compliance Officer Contact Information

South Carolina Electric & Gas (SCE&G) and Carolina Gas Transmission Corporation (CGT) are Transmission Providers (jointly referred to as the SCANA Transmission Providers). The SCANA Transmission Providers have designated Catherine D. Taylor, Esq. as their CCO. Mrs. Taylor can be contacted at:

SCANA Corporation
100 SCANA Parkway, MC C222
Cayce, SC 29033
Phone: (803) 217-9356

FERCStandardsofConduct@scana.com

The CCO is responsible for ensuring strict compliance with the FERC Standards of Conduct.

In addition, the following designee may be contacted for Standards of Conduct matters:

Annette Fountain
FERC Standards of Conduct Administrator
SCANA Corporation
100 SCANA Parkway, MC C222
Cayce, SC 29033
Phone: (803) 217-9418

FERCStandardsofConduct@scana.com

The SCA is responsible for administering the day-to-day requirements of the compliance program.

The CCO, or her designee, may be contacted at any time for the purposes of:

- Seeking guidance regarding the Standards of Conduct, and
- Reporting a suspected or actual violation of the Standards of Conduct.

Employees may also report suspected or actual violations through the SCANA Code of Conduct reporting procedures, the SCANA Compliance Helpline at **1-888-97-SCANA** or by contacting FERC directly through the FERC Enforcement Hotline at **1-888-889-8030**.
