

Jeffrey B. Archie

*Senior Vice President – SCANA Corporation
Senior Vice President and Chief Nuclear Officer
Officer South Carolina Electric & Gas Company*

Jeff Archie joined SCE&G in 1978 and began his career at Virgil C. Summer Nuclear Station, just a few miles from where he grew up. He's been in the nuclear industry for more than 35 years and currently serves as Senior Vice President and Chief Nuclear Officer. Archie is responsible for all nuclear matters, including the day-to-day management of nuclear operations, as well as the overall leadership and strategic direction.

As a supporter of community organizations, Archie serves on the Midlands Technical College Advisory Committee for Fairfield County, American Red Cross Regional Advisory Council – Palmetto SC Region, Palmetto Conservation Foundation Board, and is chair of the University of South Carolina Mechanical Engineering Industrial Advisory Board.

Archie is a member of the Institute of Nuclear Power Operations Executive Advisory Group, US/Japanese CNO Steering Committee, and the Industry Leadership Executive Steering Committee. Archie also serves on the Nuclear Energy Institute's Nuclear Strategic Issues Advisory Committee and Steering Group, Workforce Working Group, and Advanced Reactor Working Group. Additionally, Archie now serves on the Nuclear Electric Insurance Limited board of directors.

He is a native of Jenkinsville, South Carolina and a graduate of the University of South Carolina, where he earned a Bachelor of Science degree in Mechanical Engineering in 1981.
