

D. RUSSELL HARRIS (Rusty)

President and Chief Operating Officer - PSNC Energy
President - SCE&G, Gas Operations
President - SCANA Energy Marketing, Inc. and SCANA Energy Georgia
Senior Vice President, SCANA

Rusty Harris joined South Carolina Electric & Gas Company, a SCANA subsidiary, as a customer service engineer in 1986. After holding various positions in Electric Operations, in 1997 he was named Vice President – Wires Operations. In 2003, he transferred to Gastonia, North Carolina, to be the Vice President of Operations of PSNC Energy, a natural gas business unit of SCANA Corporation. In January 2006, Harris was named President and Chief Operating Officer of PSNC Energy.

He became a Senior Vice President of SCANA in May 2012 and President of SCE&G, Gas Operations in February 2013. In February, 2018, he added the responsibility as president of SCANA Energy Georgia, which provides retail natural gas, and as president of SCANA Energy Marketing, which provides wholesale and large retail natural gas sales across the southeast.

Harris serves on the board for the North Carolina Chamber, the American Gas Association, the Southern Gas Association, the UNC Medical Foundation Board, and United Way of the Midlands.

Harris and his wife LeeAnn, live in Columbia, South Carolina and are members of Eastminster Presbyterian Church. They have a daughter and two sons. A native of Summerville, South Carolina, Harris is a 1986 graduate from Clemson University with a Bachelor of Science Degree in Electrical Engineering. In 1990 he earned a Master of Business Administration from the University of South Carolina.
